Environmental Fees		
Category	Up to March 31, 2025	Effective April 1, 2025 – March 31, 2026
Computers And Servers	\$2.00	\$0.45
Laptops/Tablets/Notebooks (Portable Computers)	\$0.80	\$0.30
Printers/Copiers/Scanners/Fax	\$3.00	\$1.65
Visual Display & All-In-One Devices less than 30”	\$2.50	\$1.30
Visual Display & All-In-One Devices 30” or larger	\$6.00	\$2.75
Home Small Appliances	N/A	\$0.40
AV / Telecom / Toys / Music	N/A	\$0.55
Tools / Lawn / Garden	N/A	\$0.65

Pursuant to the *Environmental Protection and Enhancement Act*, [Electronics Designation Regulation](#) and the [Electronics Recycling Bylaw](#), environmental fees must be remitted on all sales/supplies of designated eligible electronics in or into Alberta. “Electronics” means all electrical and electronic equipment or devices, whether intended for consumer, industrial or commercial use.

The following table provides definitions and examples of eligible electronics. This is not considered an exhaustive list. Products identified are examples based on Supplier inquiries. If you require assistance in verifying if a particular electronic product should be charged an environmental fee, please contact ARMA at 1-888-999-8762 or by email at electronics@albertarecycling.ca.

	Additional Information	Products Included	Products Excluded
COMPUTERS AND SERVERS Fee up to March 31, 2025: \$2.00 Fee April 1, 2025 – March 31, 2026: \$0.45	This category includes, but is not limited to: • CPUs/servers which are not physically embedded or contained within industrial, commercial point-of-sale (POS), medical imaging, diagnostic, monitoring or control equipment. Computer peripherals (e.g., keyboard, mouse, cables, computer docking stations) are included for recycling but no environmental fee is applied. For 'all-In-one computers' see 'Visual display devices' below.	• CPUs/servers • Blade (rack mount), desktop and floor standing servers • Computer terminals • Desktop computers acting as servers • Desktop computers • Desktop/tower servers • Microcomputers • Minicomputers (Mini PCs) • Nettop computers • Server modules • Small office tower servers	• KVMs • Print servers • Processor chips/microprocessors • Stick PCs

	Additional Information	Products Included	Products Excluded
LAPTOPS / TABLETS / NOTEBOOKS (PORTABLE COMPUTERS) Fee up to March 31, 2025: \$0.80 Fee April 1, 2025 – March 31, 2026: \$0.30	Tablet definition: A portable computer with an integrated touch screen display which can connect wirelessly, WiFi and/or via cellular network for purposes of data exchange and transfer. A tablet does not have cellular phone capability.	- Lapdocks - Laptops - Mini notebooks - Netbooks - Notebooks - Notepads - POS tablets - Tablets - Thin clients - effective date: March 1, 2018 - Ultra mobile PCs (UMPC) - Ultrathin clients - effective date: March 1, 2018 - Zero clients - effective date: March 1, 2018	- Calculators - Cellular enabled PDAs - E-Book readers - Portable video conference devices

	Additional Information	Products Included	Products Excluded
VISUAL DISPLAY AND ALL-IN-ONE DEVICES LESS THAN 30" SCREEN Fee up to March 31, 2025: \$2.50 Fee April 1, 2025 – March 31, 2026: \$1.30 30" SCREEN OR LARGER Fee up to March 31, 2025: \$6.00 Fee April 1, 2025 – March 31, 2026: \$2.75	This category includes, but is not limited to: - All-in-one devices. - Devices with built-in components necessary to operate as a monitor. - Processing units combined with a monitor. - Closed circuit monitor screens (security or multi-purpose). - Devices with a television tuner or a device that can operate as both a computer monitor and television. - Visual display devices which are not physically embedded or contained within industrial or commercial equipment for	3D displays - All-in-one computers - Closed circuit monitor screens - Combination TV/DVD or TV/VHS players - Computer monitor used with a POS systems - Computer monitors - Digital interactive monitors with touchscreen Capabilities - Dual monitors (fee applies per monitor) - Graphics tablets with displays - POS all-in-one computers - POS touchscreen monitors - Professional display monitors	3D glasses - Digital photo frames - Mobile/person gaming environment/devices - OEM televisions supplied on the original sale of a recreational vehicle - Monitors and TVs designed for use solely in a motor vehicle, boat, or RV, such as: In-vehicle DVD monitors, DVD navigation systems - Portable DVD players with display - Portable video conference devices - Refrigerators with built in TV - Signature pads

	Additional Information	Products Included	Products Excluded
<i>Visual display and all-in-one devices continued</i>	example POS, medical imaging, diagnostic, monitoring or control equipment, ATM kiosk, self-service kiosk, gas station pump.	- Robust panel PCs - Security system monitors with integrated DVR - Televisions including Smart TV's - Video baby monitors - Smart Displays e.g., Google Nest Hub	Wireless inspection devices/cameras

	Additional Information	Products Included	Products Excluded
PRINTERS / COPIERS / SCANNERS / FAX Fee up to March 31, 2025: \$3.00 Fee April 1, 2025 – March 31, 2026: \$1.65	This category includes, but is not limited to: - All printers/printer combinations weighing less than 1,000 kilograms. - Large multi-function printer copiers: document centres and facsimile machines with computer direct or networked printing function. - Standalone photocopiers, fax machines, and scanners. - Printers which are not physically embedded or contained within industrial, commercial POS, medical imaging, diagnostic, monitoring or control equipment, ATM kiosks, self-service kiosks, exercise equipment, refrigerators.	- Camera dock printers - Cheque scanners - Commercial plotters - Desktop business card scanners - Desktop label, barcode, card printers - Desktop multi-function or "all-in-one" devices - Desktop photo printer (including dock printers); desktop printers - Desktop scanners - Fax machine drum scanners - Fax machines including desktop - Fax machines/photocopiers - Label, barcode, and card printers that are not handheld with computer-direct or networked printing function - Thermal printers	3D printers - ATM printers - Cash registers - Digital presses - Film scanners - Garment textile printers - Handheld devices with a printing function (e.g., label makers, calculators) - Handheld scanners - Interac printers - POS printers - POS printers (label) - POS terminals - Printers that weigh more than 1,000 kilograms - Typewriters

Effective April 1, 2025:

Category	Additional Information	Products Examples	
HOME SMALL APPLIANCES Fee April 1, 2025 – March 31, 2026: \$0.40 Electronic appliances included in the itemized list which are for personal / home use, or for business / commercial use. Designated Very Small Items: Items which have an average weight that is significantly lower (less than 250 grams, not including packaging and batteries) than the products included in other categories (including small direct plug-in or battery-operated devices), are included for recycling but no environmental fee is applied. <i>Some exclusions may apply, e.g., cell phones.</i>	Air Treatment Appliances Portable air treatment appliances for heating or cooling.	• Air conditioners, residential (products with freon not accepted) • Air flow equalizers • Air fresheners • Desktop/Tabletop fans • Gazebo patio heaters • Heater/fan combos (with or without lights) • Mist fans • Oil-filled heaters • Portable air cleaners • Portable air movers	• Portable air purifier/ionizers • Portable dehumidifiers (products with freon not accepted) • Portable fans • Portable heaters • Portable heaters or fireplaces built to resemble furniture, if powered by 120 V AC • Portable humidifiers/vaporizers • Scent diffuser aromatherapy machines • Window fans
	Floor Cleaning – Small Floor and surface cleaning appliances - Small and/or handheld, or wall mounted.	• Automatic shower cleaners • Automotive/car vacuum cleaners (12V) • Brooms or sweepers (incl. Robotic) • Bug vacuums • Electric dustpans • Floor/surface steamers (hand-held)	• Pool cleaners (incl. robotic) • Robotic vacuums • Robotic window cleaners • Steam mops • Stick vacuum cleaners • Vacuum cleaners (hand-held) • Wet-dry vacuum cleaners (under 15 L/3.96 gallon volume)
	Floor Cleaning – Large Floor maintenance and carpet care appliances – Large.	• Canister vacuum cleaners • Carpet cleaners/extractors • Floor scrubber/polishers • Floor/surface steamers (non-handheld)	• Upright vacuum cleaners • Wet hard floor cleaners • Wet-dry vacuum cleaners (15 l/3.96 us gallons volume or larger)
	Garment Care Portable and non-portable garment care devices with a power cord and/or battery(ies).	• Active ironing boards • Boot dryers / glove dryers • Clothes shavers • Garment sanitizers • Garment steamers (household/residential)	• Irons (corded, cordless, travel, etc.) • Pant presses • Sewing/Textile machines • Shoe brushes • Towel warmers

Home Small Appliances <i>Continues</i>	Home Office Home Office appliances with a power cord and/or battery and charger.	- Electronic calculators - Laminators - Pencil sharpeners	- Shredders - Typewriters
	Home Security and Monitoring Devices used for monitoring air and movement activity.	Smart code / keyless entry deadbolts	Home security systems – (not including cameras and monitors which are eligible under different categories)
	Kitchen Countertop Motorized Countertop appliances non-heating with a power cord and / or battery and charger.	- Beverage fountains - Blenders / smoothie makers - Can/jar openers - Cheese makers - Coffee grinders - Cookie presses - Countertop composters - Countertop milk frothers - Drink mixers/makers - Electric knives - Electric spiralizers - Food bag openers - Food bag sealers - Food processors/choppers/slicers - Germ killing cutting boards	- Hand mixers/ immersion blenders - Ice cream maker/whippers - Ice crushers - Jar openers - Juice extractors/presses - Knife sharpeners - Meat grinders - Pasta makers - Potato peelers - Spice grinders/mills - Stand mixers - Wine bottle openers - Yogurt makers
	Kitchen Countertop Heating Countertop appliances heating, with a power cord and / or battery and charger.	- Air fryers - Baby bottle warmers - Baby wipe warmers - Barbeques (electric) - Bottle steam sanitizers - Bread makers - Buffet warmer trays - Chocolate fountains - Coffee urns - Coffee makers - Contact grills	- Hot plates - Hot water dispensers (not requiring plumbing connection) - Induction cookers - Kettles - Lunchbox stoves - Mini hot-dog rollers - Panini presses - Popcorn makers (aka hot air corn poppers) - Portable stoves/ranges

Continued on next page

Continued on next page

Home Small Appliances Continues	Personal Care Continued	• Cotton candy makers • Countertop ovens • Countertop rotisserie ovens • Crème brûlée makers • Deep fryers • Double burners • Drip coffee makers • Egg cookers • Electric smokers • Fondue pots • Food dehydrators • Food steamers • Fry pan/griddles • Heating coils • Hot beverage makers	• Pressure cookers • Raclette sets • Rice cookers • Sandwich makers • Slow cookers • Soup makers • Sous vide machines • Tabletop grills • Tea makers • Thermal pots • Toasters • Toaster ovens • Toaster waffle irons • Woks
	Microwave Ovens	• Countertop and/or cabinet-mounted microwave ovens.	
	Personal Care Personal care appliances, including, without limitation, hair cutting and drying appliances, tooth care appliances, shavers and massagers, nail care, heating, cleaning.	• Automatic soap dispensers • Beard trimmers • Callus removers • Curling irons/brushes • Denture/toothbrush sanitizers • Facial anti-aging devices • Facial cleansing devices • Facial saunas/tanners • Flossing devices • Foot baths • Hair clippers/trimmers • Hair crimpers • Hair curlers • Hair dryers • Portable paraffin/hot oil baths (for household use)	• Hair shavers/removers • Hair straighteners • Heated footrests • Hot rollers/curlers set • Laser hair loss photo therapy combs • Massagers • Oral irrigators • Razors (rechargeable or weighing 250g or more) • Toothbrushes (rechargeable) • Vanity mirrors with lighting • Heating pads • Nail dryers • Ultrasonic cleaners
	Time Measurement Portable and non-portable devices for measuring time with a power cord and/or battery(ies).	• Alarm clocks / wall clocks • Timers	

<i>Home Small Appliances Continues</i>	Weight Measurement Portable and Non-Portable Devices for Measuring Weight with a power cord and/or battery(ies)	• Bathroom scales • Food scales • Luggage scales

Category	Subcategory	Products Examples	
AV / TELECOM / TOYS / MUSIC Fee April 1, 2025 – March 31, 2026: \$0.55 Any electronic devices/systems included in the itemized list which are for personal/home use or for business/commercial use. Audio visual peripherals (e.g., headphones, headsets, mini earphones, mini microphones etc.) are included for recycling but no environmental fee is applied. Designated Very Small Items: Items which have an average weight that is significantly lower (less than 250 grams, not including packaging and batteries) than the products included in other categories (including small direct plug-in or battery-operated devices), are included for recycling but no environmental fee is applied. <i>Some exclusions may apply, e.g., cell phones.</i>	Audio Visual Systems A device/system that can transmit, record and/or playback an image, audio, or video using a variety of technologies including mechanical, optical, and digital technologies and that operates on battery power or is powered directly from the device they are connected to (i.e. a computer).	• AM/FM radios (including those with satellite capabilities) • Amplifiers • Analog & digital video cameras for security or other closed-circuit use • Bar speakers (sound bars) • Cable & satellite digital receivers • Cassette or digital audio/voice recorders • CD burners/duplicators • Ceiling speakers and wall recessed speakers • Citizen band radios • Collision avoidance systems • Combination cassette players/recorders • Combination multimedia players/recorders • Combination TV/DVD or VHS players • Digital cable equipment (e.g., cable boxes) • Digital frames • Digital video recorders (DVRs) • Digital visualizers • Disc (CD, DVD, Blu-ray, laser disc etc.) players/recorders	• Horn speakers • Intercoms (built in or wall mounted) • Internet media streamers (e.g. Apple TV, Google, Chromecast, etc.) • Karaoke machines • Laser Disc players/recorders • Multi-function radios that include CD, MP3, AM/FM or other audio functions • Multi-function satellite radios that include CD, MP3, AM/FM radio or other audio functions • Multimedia players/recorders • Multimedia projectors/overhead projectors • Network cameras (e.g. front door camera) • Non-portable audio docking stations • Non-portable combination cassettes • Non-portable Disc players/recorders (DVD, Blu-ray, etc.) • Other digital music players/recorders • Personal video recorders (PVR)
		<i>Continued on next page</i>	<i>Continued on next page</i>

<i>AV / Telecom / Toys / Music Continued</i>	<i>Audio Visual Systems Continued</i>	• Docking stations for portable digital players (e.g. MP3, MP4 players, etc.), smart phones and other portable devices • Docking/compact/folding speakers (wired and wireless including Wi-Fi or Bluetooth e.g., USB computer speakers; solar powered iPods; iPhone dock stations) • Drones with A/V functionality, excluding for commercial/ military use (over 4') • FM transmitters • Frequency equalizers • HD antennas • Home audio/video playback and/or recording systems • Home automation controllers • Home speaker systems such as 5.1 and 7.1 speaker package supplied without amplifier or video player • Home theater-in-a-box • Home speaker systems with docking station e.g., sound dock system • Public address systems (including amplifier, mixer and speaker enclosure) • Radar detectors • Satellite radio receivers • Set-top boxes • Signage players • Small satellite dishes • Tely HDs • Turntables/record players • Video cassette players (VCRs) and/or video projectors • Video management systems (multiple feeds on multiple monitors/TVs) • Video monitor and camera systems • Video playback devices • Webcams / web cameras • Video player systems • White noise machines • Wi-Fi Internet radios • Wireless HD audio/video kits
	Handheld A/V Handheld or portable devices that can transmit, record and/or playback an image, audio, or video using a variety of technologies including mechanical, optical, and digital technologies that operate on battery power, and/or have a power cord. <i>Handheld AV Continued</i>	• Audio baby monitors • Breathalyzers • Cameras (digital or non-digital) • Digital music recorders/players • Digital notepads • Digital photo key chains • E-book readers • Electronic dictionaries • Personal FM transmitters • Playback and/or recording systems • Portable microphone and amplifier bundles • Portable music devices <i>Continued on next page</i>

AV / Telecom / Toys / Music Continued		• Global positioning system (GPS) receivers and components designed to be used for leisure or sports (e.g., hiking GPS) • HD cameras and microphones • Industrial or commercial handheld or mobile computing devices • Lenses & flashes • Magnetic stripe readers (sold individually) • Media readers • Odometers • Pen scanners • Personal/portable image, audio and/or video playback devices • Personal digital assistants (PDAs) not enabled to connect to cellular networks • Portable printers (e.g., portable photo printer, label maker, calculator with printing capabilities) • Portable scanners (e.g., business card scanner; photo negative scanner) • Portable stereos, including those enabled to connect to wireless internet • Portable two-way radios / FRS radios / GMRS radios / walkie-talkies / CB radios • Radios with flashlight • Satellite radio receivers (handheld) • Separately sold remote controls • Sonars/fish finders • Video cameras/camcorders • Virtual Reality (VR) Devices or Headsets
	Vehicle Audio and Video Systems	• Car security systems • Dash radios, DVD, CD and/or cassette players (including those with integrated satellite radio and/or GPS/navigation functions) • Rear vision/back-up camera systems • Remote car starters • Standalone or dash GPS or other navigation systems designed specifically for use in a vehicle (e.g. automotive or marine receiver and components) • Vehicle audio & video systems • Vehicle audio & video systems (after-market) • Vehicle dash cameras

AV / Telecom / Toys / Music Continued	Electronic Toys & Music Electronic games, toys and musical instrument/accessories included in the itemized list which are for personal/home use or for business/commercial use. • Non portable electronic game systems made specifically for playing video games by connecting it to a display for video and sound. • Handheld electronic game systems made specifically for playing video games, and handheld accessories for non-portable systems. • Electronic musical instruments including stringed instruments with built-in active or passive electronics. Passive or active pickups, preamps, interconnects, controls or effects systems for stringed or keyboard instruments. Portable and non-portable keyboard instruments/controllers.	• Acoustic percussion instruments with built-in microphones • Aftermarket preamps for new installations • All electronic tuners, metronomes or combination devices, as well as tuner pickups • Amplifiers, mixers, and speaker enclosures for musical instruments • Audio backing modules • Children's toy/learning computers • DJ mixers and electronic audio devices (with built-in active or passive electronics) • Drum triggers • Drum trigger (passive) pads without controller • Electronic 'silent' instruments or devices for silent practice or performance using acoustic wind or stringed instruments • Electronic action accessories (i.e., electronic swords, blasters, etc.) • Electronic action figures or dolls • Electronic board or tabletop games • Electronic cymbals • Electronic drums • Electronic hand percussion pads Continued on next page	• Electronic toy sports equipment (i.e. indoor electronic basketball backboards) • Electronic toys, including toy vehicles • Electronic under-saddle pickups • Electronic stringed instrument amplifiers • Electronic stringed instrument effects pedals • Electronic stringed instruments (e.g., basses, guitars, etc.) • Electronic stringed instruments with pickup or preamp, etc. • Foot pedals for electronic keyboards • Footswitches, active or passive direct boxes • Impedance matching devices • Interactive plush toys • Joysticks • Keyboards/digital pianos (electric or battery powered) • Metal or hard plastic toys with electronics • Midi controllers and devices • Midi sound modules • Multimedia controllers • Electronic toy robots • Off board preamp pedals • Percussion instruments with built-in active electronics and power from battery, battery and cord or USB only, including cymbals, drums, etc. • Plush textiles with electronics Continued on next page
--	---	--	---

AV / Telecom / Toys / Music Continued		• Electronic learning aids (i.e. electronic toy books) • Electronic rhythm trainers or practice pads • Electronic sound hole pickups • Electronic toy apparels (electronic helmets) • Electronic toy cameras • Electronic toy key chains • Electronic toy plastic animals • Portable amplifiers, mixers, or pedal boards powered by battery, battery and cord, USB only, USB, or AC adapter • Remote control vehicles (including drones with no A/V functionality) • Synthesizers • Video game console controllers, balance boards, sensors and other input devices • Video gaming consoles
	Telecom Electronic telecommunication devices included in the itemized list which are for personal/home use or for business/commercial use. A handheld mobile and/or stationary with a handheld/headset communication device that is used to transmit and receive sound (most commonly speech) or data signals. A device that is designed to record sound from incoming calls from a telephone line or VoIP (Voice over Internet Protocol) line. Accessory handsets/speakers/microphones. For telecom, a modem is defined as: A device that encodes digital computer signals into analog/analogue telephone signals and vice-versa and allows computers to communicate over a phone line or cable connection.	<i>Items in this list will apply to either the of the following categories dependent on the weight of the item: Telecom <2kg, Telecom 2kg, up to 50k or Telecom >50kg, up to 200kg</i> • Cellular devices • Cellular phones / smart phones • Combo routers/modems • Telephones requiring an electrical base station / handset cradle for battery charging and wire-line network connection • Embedded multimedia terminal adapters (EMTAs) (a combination cable modem and telephone adapter) • Ethernet switches, networking products (including security appliances and firewalls) • Flash memory duplicators (for telecom use) • Modems • Network security appliances & firewalls • Pagers • Phablet/smart phone hybrids • Range extenders • Routers (for telecom use) • Satellite phones • Speakers / convergence phones • Tape storage systems <i>Continued on next page</i>

	Telecom < 2kg IT or Telecom Equipment under 2kg.	• Telephone amplifiers • Telephone line answering machines that utilize cassette-based or digital recording technologies • Telephone recording devices • Telephony gateways • Transmitters for telecom • USB speakerphones • Video splitters for telecom • VoIP home phone services • VoIP phone adapters • VoIP phones • Wire line telephones including rotary and touchtone technologies • Wireless access points • Wireless audio/video transmitters / RF
	Telecom 2kg, up to 50kg IT or Telecom Equipment 2-50 kg	
	Telecom > 50kg, up to 200kg IT or Telecom Equipment greater than 50 kg, up to 200kg	

Category	Subcategory	Products Examples	
TOOLS / LAWN / GARDEN Fee April 1, 2025 – March 31, 2026: \$0.65 Designated Very Small Items: Items which have an average weight that is significantly lower (less than 250 grams, not including packaging and batteries) than the products included in other categories (including small direct plug-in or battery-operated devices), are included for recycling but no environmental fee is applied. <i>Some exclusions may apply, e.g., cell phones.</i>	Lawn & Garden • Lawn and garden tools/equipment included in the itemized list which are for personal/home use, or for business/commercial use. • Tools or equipment for lawn and garden care and maintenance with a power cord, plug and/or battery(ies). Excludes gas powered items.	• Lawn mowers • Trimmers (hedge; edge) • Leaf blowers • Snow blowers • Rototillers • Chainsaws • Pressure washers • Irrigation timers (battery powered) • Power Rakes	
	Power Tools Power tools included in the itemized list which are for personal/home use or for business/commercial use. Electronic tools with a power cord, manufactured to be used mounted/sitting on a work bench and/or standing/sitting on the floor.	• Air compressors (small) • Angle saws • Band saws • Chop saws • Cabinet saws • Cut-off machines • Cut-off saws • Drum machines • Laser chainsaw sharpeners • Lathes • Mitre saws • Multipurpose electric sharpeners • Scroll saws • Sink machines • Table saws • Tile saws • Wallpaper steamers/strippers	

<i>Tools/ Lawn/ Garden continued</i>	Power Tools – Handheld Power tools included in the itemized list which are for personal/home use or for business/commercial use. Portable/mobile electronic/air tools with a power cord, plug and/or battery(ies).	• Adhesive/caulking guns (powered) • Air compressor accessories (e.g. Inflation gun, spray gun) • Angle grinders • Auto feed screwdrivers • Automotive air Inflators/pumps • Bandsaws (handheld) • Batteries (for power tools) • Battery chargers • Biscuit joiners/plates • Circular saws • Concrete vibrators • Cut-Off saws (handheld) • Detection tools • Die grinders • Digital tire gauges • Drills (corded/cordless) • Drill bit sharpeners • Electric knives (for windshield repair) • Foam saws • Glue guns • Grease guns (powered) • Hammer drills • Handsaws (powered) • Heat guns • Impact/control wrenches • Impact drivers/drills • Jigsaws • Plate joiners • Lightbulb testers/repairers • Metal tappers • Multi tools (powered) • Nailers (finishing/flooring/framing) • Nibblers • Nutrunners • Paint mixers • Pex expanders • Pipe cutters/pipe threaders • Power chisels • Power painters • Power planers • Power ratchets • Power scrapers • Power screwdrivers • Press tools • PVC heating blankets • Rebar cutters / benders / reciprocating saws • Shear wrenches • Soldering/desoldering • Equipment/stations • Soldering irons • Stapler welders • Sanders (belt, disc, finishing, orbit, sheet, etc.) • Tuckpoint grinders • Waxers
